### Wine Notes

All great Moscato hails from northern Italy and VOGA Moscato is no exception to this rule. We capture the fruity aromas and vibrant flavors of the Moscato grape in the wine by arresting the fermentation process early to retain the natural sweetness and flavor intensity. The carbon dioxide is captured during the fermentation process to give the wine a delightful frizzante character. With its fresh citrus, apricot and grape flavors balanced by soft bubbles VOGA Moscato is absolute refreshment in a bottle.

### Menu Pairings

VOGA Moscato is a stand out with desert, from fresh summer berries to juicy fall apples, lemon meringue pie and fruit filled cobblers. The naturally sweet fruit flavors make a perfect complement to spicy Asian dishes and fresh, light salads.
