Gemma di Luna Sparkling Moscato

Gemma di Luna, The Italian Luxury Collection, was conceived to elevate the everyday Italian wine experience from the ordinary to the extraordinary. The combination of premium Italian wines and an evocative brand name in a showstopper teal bottle come together to create wines which speak directly to the modern drinker.

Wine Notes

Crafted from premium Moscato grapes in a fully sparkling (spumante) style, Gemma di Luna Moscato is a fun, refreshing bubbly with a generous fluffy mousse. It opens with sweet aromas of candied rose petals and peach gummies, then gives way to plenty of grapey Moscato character with perfectly balanced crisp acidity. An unfussy wine perfect for patio sipping.
