

LADY LOLA Pinot Grigio Moscato made with organic grapes

What do you get when you combine two of Italy's best loved wines with a vintage vibe and a bit of burlesque flair? The irresistible wines of Lady Lola.

Inside the charming, repurpose-able bottles with their easy to open, re-sealable wooden cork are two of today's most consumed imported wines, Pinot Grigio and Moscato, crafted with organic grapes. Inspired by the passion and free spirit of our winemaker, Michela, Lady Lola is the first wine to blend together Pinot Grigio with a splash of Moscato to create an unexpected and absolutely delicious blend.

Wine Notes

This original Pinot Grigio Moscato blend is fresh, crisp and nuanced. The exotic flavors intermingle with a zesty tropical acidity before culminating in a fruity sweet finish.

Menu Pairings

This unique blend is excellent on its own, but has been crafted to pair with a wide variety of food. The flavors match exceptionally well with Thai and Japanese cuisines, and a wide variety of fish and chicken dishes.

Varietal Mix

85% Pinot Grigio
15% Moscato

Area of Production
Terre Siciliane (Sicily)
