EMPORIUM

A bold, premium red blend made in the Appassimento style, a method long prized by the noble courts and aristocratic circles of Europe.

AWARD WINNING WINE

PRODUCT FEATURES

BENEFITS

Premium, high-quality red blend in the passito-style

The Appassimento method concentrates the taste and aromas of the grapes prior to vinification to create a wine with a superb bouquet and flavor. The wine also follows current consumer trends and interests in high quality red blends, as they seek wines that are hip and different.

Captivating and distinctive bottle shape and label design

Sophisticated, premium bottle shape and label provokes images of power, elegance and tradition creating story and intrigue for consumers.

6-pack case

Each case includes three added value gift boxes.
